§ 10112. Taking and Subscribing Oath.

Except for a uniformed or overseas voter as defined by the Uniformed and Overseas Citizens Absentee Voting Act, after marking said ballot the voter shall, before said officer, mark and subscribe to the voter’s affidavit, and, in the presence of said officer, place said ballot in the ballot envelope so as to conceal the marks thereon and deposit the same along with the affidavit in the return envelope which shall then be securely sealed.

Except for a uniformed or overseas voter as defined by the Uniformed and Overseas Citizens Absentee Voting Act, at any time on or before the day of an election an absentee voter may appear before the Commission, or any person appointed or designated by the Commission may go to any voter on Guam if he or she is incapacitated, or any Notary Public or any officer of Guam, or before any Notary Public or any officer of any state, territory or municipality within the United States or in the District of Columbia, at the time of receiving his or her ballot to mark and secure his or her ballot.

§ 10117. Casting Ballots.

At any time between the opening and closing of the polls on election day, the precinct board shall announce the absent voter’s name, and compare the signature between that shown upon the application and the signature upon the affidavit. The precinct board shall determine if the affidavit is sufficiently executed, that the signatures correspond, that the applicant is a duly qualified elector of the precinct, and that the applicant has not voted in person at such election, and open the outer or carrier envelope and the return envelope. The board shall then deposit the unopened ballot envelope in the ballot box. Upon depositing the unopened ballot envelope in the ballot box, the board shall indicate on the signature roster next to the voter’s name that such voter has voted absentee.
