Sick leave accrued and unused at the time of separation from the government shall remain credited to the employee if such employee returns to government service.

4 GCA PUBLIC OFFICERS AND EMPLOYEES
CH. 4 PERSONNEL POLICY AND THE CIVIL SERVICE COMMISSION

(1) Voluntary Transfer of Sick Leave or Annual Leave. If a government of Guam employee desires to transfer a number of hours of earned sick leave or annual leave to another employee in any department or agency of the government, the recipient must first exhaust all his accrued annual and sick leave and compensatory time for the purposes of a medical emergency or for personal reasons. Leave transferred from donors whose hourly rates of pay or salaries are lower than the recipient shall be paid at the hourly rate or salary of the donor. Leave transferred from donors whose hourly rates of pay or salaries are higher than the recipient, shall be paid at the hourly rate or salary of the recipient.

(2) A formal written request shall be made by the donor employee to that person's payroll supervisor, stating the name of the recipient, the number of hours of leave to be transferred and the type of leave. No transfer may be made by any employee to that person's supervisor, or to any person above that employee in the supervisory chain, or to a member of the supervisor's or such supervisory person's immediate family. If the donor has sufficient hours of leave accrued to cover the donation, the payroll supervisor shall notify the Payroll Division to transfer the approved number of hours to the recipient. Upon receipt of the notice of transfer, the receiving employee may then submit a leave request for the number of hours of leave, sick or annual, that the employee needs and the department head shall then approve the leave request.

(3) Leave may not be transferred to another employee if as a recipient that employee intends to use it for credit towards retirement or accumulated leave. This transfer of leave shall be strictly on a voluntary basis. Leave transferred shall be used as leave by the person to whom it is transferred, and if it is not used in its entirety, it may be re-transferred to the person who originally earned it. § 4302.1. Guam Health Insurance Review Committee.

(a) Legislative Findings and Intent.

(1) *I Liheslaturan Guåhan* finds that during these challenging economic times, it is important that we make the most of every opportunity to bring affordable health insurance that will benefit the Government of Guam (GovGuam) active employees and retirees. Significant changes have taken place in recent years in the healthcare marketplace that require GovGuam to reevaluate how it can continue to provide affordable and accessible health insurance as part of the overall employee compensation/benefit package.

(2) In the past five (5) years, health insurance premiums have been steadily increasing an average of ten percent (10%) every year. According to the Spring 2003 Health Care Trend Survey conducted by Aon Consulting, an average increase of sixteen percent (16%) in costs is expected in 2004. The Office of the Actuary, Centers for Medicare and Medicaid Services in Baltimore, Maryland, and Project HOPE conducted a survey that showed health care spending is expected to outpace economic growth over the next ten (10) years. As a result, the health care “share” of the gross domestic product is expected to climb to nearly twenty percent (20%) by 2013. This all adds up to more costs for everyone. GovGuam, as an employer, is facing soaring premiums. The active employees and retirees are going to pay a greater share of it. Insurance companies have tried to keep the premiums down by shaving off benefits in the form of higher deductibles, and co-payments and premiums continue to rise.

4 GCA PUBLIC OFFICERS AND EMPLOYEES
CH. 4 PERSONNEL POLICY AND THE CIVIL SERVICE COMMISSION

(3) *I Liheslaturan Guåhan* finds that a study is needed to make recommendations that will be used as an analysis tool for decision makers, help facilitate data analysis and benchmarking of GovGuam's health choices.

(4) It is therefore, the intent of *I Liheslaturan Guåhan* to establish a Government of Guam Health Insurance Review Committee dedicated to the study of improving the health of GovGuam active employees and retirees by increasing access to affordable, comprehensive and quality health care coverage.

(b) Establishment of the Government of Guam Health Insurance Review Committee. There is hereby established a Government of Guam Health Insurance Review Committee (Committee) which shall conduct a study regarding the costs of health care for Government of Guam active employees and retirees. The Committee shall issue, no later than six (6) months from its initial meeting, a written report to the Speaker of *I Liheslaturan Guåhan* and *I Maga'hågan/Maga'låhen Guåhan* which shall include, but not be limited to:

- (1) A health insurance program that covers GovGuam retirees alone;
- (2) A health insurance program that covers GovGuam active employees alone;
- (3) A health insurance program that covers GovGuam retirees and active employees;
- (4) A health insurance program that covers GovGuam retirees enrolled in Medicare with GovGuam paying the premium for:
 - (A) Medicare Plan A - Hospital Insurance Coverage;
 - (B) Medicare Plan B - Supplemental Medical Insurance;
 - (C) Medicare Plan A and B;
- (5) How the relationship between health care providers and carriers is affecting access to and costs of health insurance coverage;
- (6) General cost factors driving the rising health insurance premium rates for consumers of health insurance in all markets;
- (7) How to access affordable prescription drugs and what are the general cost factors involved in prescription drug benefits, including, but not limited to, co-payments, deductible amounts, out-of-pocket expenses and the use of generic and name brand prescription drugs;
- (8) Analyze the effectiveness of the insurance regulations and statutes in promoting a healthy, competitive health insurance market that meets the needs of the people of Guam by assessing such things as availability and marketing of individual and group products, rate changes, coverage changes, benefit trends, market share changes and accessibility;
- (9) How self-funded health insurance plans may create an alternative to meet health care needs;
- (10) Strategies to decrease the number of uninsured population; and
- (11) Any other options that the Committee feels will meet sufficient benefits and costs savings for both active employees and retirees.

The Committee may invite government, private sector, community entities and individuals to submit reports, provide testimony, data and other information that may assist the Committee to comply with its duties and responsibilities. The Committee is encouraged to create sub-committees as needed.

policy and the supervisory responsibility to directly advise the appointing authority regarding an adverse action or other personnel decision involving an employee of the department, agency, or instrumentality.

(3) In situations of emergencies, acts of nature, or disasters, the department, agency, or instrumentality may petition the Commission to suspend or extend the ninety (90) day time limitation provided in this Subsection. The employee, within twenty (20) days of effective date of the action, may appeal to the Commission or appropriate entity by filing that person's written answer to the charges against the employee, regardless of whether the employee has tendered any resignations, which shall have no effect upon the employee's appeal rights. In the event an employee resigns before the issuance of the final notice of adverse action, the employee's twenty (20) day appeal period to the Commission shall begin to run at the time the employee submits the resignation, which notice of Proposed Adverse Action shall be deemed a final notice of adverse action. Management may not fill the employee's position until:

(2) The party who petitions for judicial review is responsible for providing certified transcripts of hearings and shall bear associated costs.

ARTICLE 7
REPORTS OF SEXUAL HARASSMENT BY NON-CLASSIFIED EMPLOYEES

SOURCE: Entire Article 7 added by P.L. 31-149:1 (Nov. 21, 2011).

§ 4701. Legislative Findings and Intent.

- § 4702. Jurisdiction Over Sexual Harassment Complaints for All Employees.
- § 4703. Sexual Harassment Defined.
- § 4704. Reports of Sexual Harassment Complaints.
- § 4705. Audits of Reports of Sexual Harassment Complaints.
- § 4706. Whistle-Blower Protection.
- § 4707. Time Frame and Rights to File Complaints.
- § 4708. Personnel Rules and Regulations.

§ 4701. Legislative Findings and Intent.

(a) *I Liheslaturan Guåhan* finds that sexual harassment is a form of sex discrimination that violates Title VII of the Civil Rights Act of 1964. Title VII applies to employers with fifteen (15) or more employees, including state and local governments. It also applies to employment agencies and to labor organizations, as well as to the federal government.

(b) Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, constitute sexual harassment when this conduct explicitly or implicitly affects an individual's employment, unreasonably interferes with an individual's work performance, or creates an intimidating, hostile, or offensive work environment.

(c) Sexual harassment can occur in a variety of circumstances, including, but not limited to, the following:

(1) The victim as well as the harasser may be a woman or a man. The victim does not have to be of the opposite sex.

(2) The harasser can be the victim's supervisor, an agent of the employer, a supervisor in another area, a co-worker, or a non-employee.

(3) The victim does not have to be the person harassed but could be anyone affected by the offensive conduct.

(4) Unlawful sexual harassment may occur without economic injury to or discharge of the victim.

(5) The conduct may include the use of profanity, offensive language and expletives, derogatory comments or sexually offensive speech to berate, discipline or intimidate employees, or subordinates.

(6) The harasser's conduct must be unwelcome.

(d) *I Liheslatura* further finds that it is helpful for the victim to inform the harasser directly that the conduct is unwelcome and must stop. The victim should use any employer complaint mechanism or grievance system available.

(e) When investigating allegations of sexual harassment, the federal Equal Employment Opportunity Commission (EEOC) looks at the whole record: the circumstances, such as the nature of the sexual advances, and the context in which the alleged incidents occurred. A determination on the allegations is made from the facts on a case-by-case basis.

(f) Prevention is the best tool to eliminate sexual harassment in the workplace. Employers are encouraged to take steps necessary to prevent sexual harassment from occurring. They should clearly communicate to employees that sexual harassment will not be tolerated. They can do so by providing sexual harassment training to their employees, and by establishing an effective complaint or grievance process and taking immediate and appropriate action when an employee complains.

(g) It is also unlawful to retaliate against an individual for opposing employment practices that discriminate based on sex, or for filing a discrimination charge, testifying, or participating in any way in an investigation, proceeding, or litigation under Title VII.

2024 NOTE: Subsection designations added and modified pursuant to authority granted by 1 GCA § 1606.

§ 4702. Jurisdiction Over Sexual Harassment Complaints for All Employees.

As specified in this Chapter, employees in the context of Equal Employment Opportunity complaints involving sexual harassment as defined by Title VII of the Civil Rights Act of 1964 and this Article shall include all classified and unclassified employees of the Executive Branch of the government of Guam.

§ 4703. Sexual Harassment Defined.

For purposes of this Article, “sexual harassment” shall include:

- (a) sexual harassment as defined by the federal Equal Employment Opportunity Commission;

 - (2) submission to or rejection of such conduct by an individual was used as the basis for employment decisions affecting such individual; or
 - (3) such conduct has the purpose or effect of unreasonably interfering with an individual’s work performance or creating an intimidating, hostile, or offensive working environment;
- (c) conduct that includes the use denotatively or connotatively defined sexual language that includes, but is not limited to, profanity, offensive language and expletives, derogatory comments or sexually offensive speech which is used to berate, bully, discipline or intimidate employees.

§ 4704. Reports of Sexual Harassment Complaints.

Notwithstanding any other provision of law, rules or regulations unclassified, contractual, temporary and other non-classified employees may file complaints for sexual harassment in the same manner that classified employees may file such complaints. Unclassified, contractual, temporary and other non-classified employees are entitled to all rights, privileges and remedies that are afforded to classified employees to resolve sexual harassment complaints.

§ 4705. Audits of Reports of Sexual Harassment Complaints.

Complaints of sexual harassment filed pursuant to this Article shall be audited periodically in the same manner as complaints filed by classified employees.

§ 4706. Whistle-Blower Protection.

No person, including witnesses and counselors, and confidants of the victim; who reports any incident of sexual harassment, or suspected sexual harassment, to a supervisor, agency head, director, the Department of Administration, the Civil Service Commission, the Guam Attorney General, or a law enforcement agency of the government of Guam, or of the United States, shall suffer any loss of wages, title or position or employment as a result of such report.

§ 4708. Personnel Rules and Regulations.

All personnel rules and regulations on sexual harassment that are applicable to the agency or branch for which the victim is employed shall apply to unclassified, contractual, temporary, and other non-classified employees. In the event that an agency or office is not covered by personnel rules and regulations, the sexual harassment provisions of the Department of Administration's Personnel Rules and Regulations shall apply.
