NOTE: A number of the newer agencies were created by laws found within the portions of the Government Code containing substantive provisions governing those agencies. In order to make this Chapter genuinely useful, and to make it a true indication of all of the Departments of the government regarded as such, the Compiler has placed within this Chapter both those sections placed in the § 5100 series of the Government Code and those other sections creating departments, even though the sections were originally placed elsewhere. The Compiler has used as a guide as to the appropriate departments of the government, those departments whose directors are listed in 4 GCA, § 6206B, Departments of the Government of Guam.

§ 3101.1. Public Transportation Services.

There is, within the Department of Administration, a Division of Public Transportation Services. The Director of Administration shall be the only government official to provide and contract for public transportation on Guam’s roads and highways.

(a) Any individual, business or organization providing public transportation services pursuant to a contract with the Division of Public Transportation Services of the Department of Administration shall:

(1) Ensure that each of its employees, e.g. driver, dispatcher, or transport care attendant, who works directly with the public complete, within six (6) months after it executes said contract, a minimum of sixteen (16) hours of passenger assistance training. Said training shall ensure that the employee possesses a general knowledge and understanding of working with public, to include the proper treatment of customers, including children, senior citizens, disabled persons and others users of the public transportation;

(2) Ensure that each of its employees who work directly with the public complete a passenger assistance training course every year following the initial training mandated by subsection (1) hereof, of no less than four (4) hours of training on the proper provision of services, changes in relevant law, changes in applicable technology and the like.

(3) Ensure that no employee who has not completed the training required by subsections (1) and (2) hereof works directly with the public.

The Director shall report on said compliance and shall transmit said report to the contractor, I Maga’lahen Guåhan and I Liheslaturan Guåhan no later than January 30th of each year.

2019 NOTE: The authority over public transportation, granted by this provision to the Division of Public Transportation Services of the Department of Administration, directly conflicts with Chapter 6 of Title 12, GCA, which was reenacted by P.L. 30-005:2 (Mar. 13, 2009). Pursuant to P.L. 30-005:2, the Guam Regional Transit Authority (GRTA) was established and “shall have the exclusive franchise for the furnishing of public transportation within Guam and on its roads and highways.” P.L. 30-005 did not expressly repeal this provision; however, it arguably may have effectuated a repeal by implication.

§ 3103. Guam Police Department.

SOURCE: GC § 5102 as amended by P.L. 10-91; P.L. 17-78:1; P.L. 18-13:1. P.L. 24-034:3 (May 14, 1997) repealed provisions of this section that were inconsistent with the act and created a new Chapter 77 within Title 10, governing the Guam Police Department.

2019 NOTE: Past publications of the GCA indicated that this provision had been repealed in its entirety; however, P.L. 24-034:3 (May 14, 1997) stated: “All provisions of Title 5 GCA § 3103 inconsistent with this Act are repealed.” The first sentence was not inconsistent and thus, will be included in future publications. Provisions that were inconsistent were repealed.

COMMENT: P.L. 17-78 split the Fire Department from the old Department of Public Safety, leaving the new Guam Police Department. P.L. 18-13 specified qualifications for the Chief of Police. The substantive law governing the Guam Police Department is found in Titles 8, 9, and 10 of this Code.

NOTE: § 3103.1- § 3103.3 and §3103.4 added by P.L. 24-240 and P.L. 24-241, respectively, re-codified as § 77201- § 77203 and § 77301, Articles 2 and 3, respectively, Chapter 77, Title 10 GCA.

GCA § 715; and to effectuate an increase in the academic performance and standardized testing results of all public school students as measured annually by standards and assessments adopted by the Guam Education Board.

**NOTE:** The Legislature re-created the elected Board of Education by P.L. 22-42, the first election for which took place on November 8, 1994. In P.L. 22-42, the Legislature amended 17 GCA § 3102 and added § 3102.1 relative to the selection and qualifications of the Director of Education. The Director, following the passage of P.L. 22-42, but before the elected board takes office, is now selected by the Board without the approval of either the Governor or the Legislature. This section was repealed by implication. See AG Opinion LEG 94-0541 (07/15/94).

**2015 NOTE:** In amending this provision, P.L. 33-013:1 changed language which had stated “§ 29(b) of the Organic Act of Guam” to “§ 1421g(b) of the Organic Act of Guam.” However, the designation of § 1421g(b) reflects the codification of this provision in the U.S. Code. Therefore, to clarify the reference, the Compiler has added “Title 48 of the United States Code” following § 1421g(b).

**2009 NOTE:** P.L. 28-045:10 (June 6, 2005) changed the name of the Department of Education to the Guam Public School System. The passage of P.L. 30-050:2 (July 14, 2009) reverted the name to the Department of Education.
