§ 31106. Use.
Appropriations for improvements within a district may be made from the subaccount of the Fund for such district upon request to the Legislature by resolution of the Municipal Planning Council of such district but expenditures of such funds shall be governed by the procurement laws and regulations of the government of Guam.

§ 31107. Injunction.

The Director is enjoined from transferring or expending funds from any of the district subaccounts except as authorized by resolution of such district’s Municipal Planning Council.

§ 31108. Fund Report.

The Director shall provide the Legislature with a quarterly report of the balances of such district subaccounts.

§ 31109. Funds Unexpended.

Unexpended funds remaining in the Fund after the end of each Fiscal Year shall remain in the Fund and shall become a part of the current Fiscal Year balance.

§ 31110. Alternate Funding.

Any improvement that cannot be funded under this Chapter because of unavailability of funds may be funded from the unappropriated surplus of the General Fund.

§ 31111. Severability.

If any of the provisions of this Chapter or the application thereof to any person or circumstances are held invalid, such invalidity shall not affect any other provision or application of this Chapter which can be given effect without the invalid provision or application, and to this end the provisions of this Chapter are severable.

§ 31112. Effective Date.

The provisions of this Chapter shall take effect upon enactment, except that capital improvement projects which have received appropriations prior to the effective date of this Chapter will remain appropriated pursuant to the prior acts in which they were appropriated.
