

## JUDICIARY OF GUAM

### SERVICE ANIMAL WAIVER

Effective May 2019

The Judiciary of Guam (“Judiciary”) is committed to ensuring equal access to court programs and services, including the use of service animals in accordance with local and federal laws.

**Definition:** A “service animal” is defined as an animal that is trained to do work or perform tasks for an individual with a disability. Some examples include guiding people who are blind, alerting people who are deaf, pulling a wheelchair, etc.

*Note: The work or task a service animal has been trained to provide must be directly related to the person’s disability.*

A “therapy animal” (an animal that provides emotional support or passive comfort, also known as an emotional support animal or comfort animal) is *not* a service animal under the Judiciary of Guam’s Service Animal Policy. Access for therapy animals is evaluated similar to any other request for accommodation and should be directed to the **Judiciary’s ADA Coordinator**:
