MEMORANDUM:

To: All Prospective Bidders

From: Administrator of the Courts

Subject: **Amendment No. 1**
Re: IFB 25-07; Indefinite Delivery/Indefinite Quantity (ID/IQ) Sports Utility Vehicle (SUV), 5-Passenger

Below are responses to questions submitted to my office:

1. If a 4-cylinder 5-passenger SUV will be accepted?

Response: The IFB requirement of 5-Passenger with 6-cylinder remains the same.

2. Engine Requirements The bid specifies a minimum requirement of a 6-cylinder gasoline engine. However, the vehicles we offer are equipped with 4-cylinder turbocharged engines that meet performance standards and fuel efficiency expectations. Would this configuration be acceptable for consideration?

Response: The IFB requirement of 6-cylinder remains the same.

3. Drive Type The bid specifies "Automatic 2WD or on-demand." We would like clarification on whether the agency requires a 4WD system with the capability to switch to 2WD (on-demand), or if a standard 2WD vehicle would suffice.

Response: The IFB requirement of an Automatic 2wd or on demand remain the same.

Please be reminded that this Amendment shall be acknowledged in your bids. Failure to acknowledge this Amendment No. 1 shall result in disqualification from this IFB.
