§ 2102. Resolving Clause.

The resolving clause of all resolutions shall read,
'BE IT RESOLVED BY THE LEGISLATURE OF GUAM.'

SOURCE: GC § 1102. Amended by P.L. 24-165:2.

§ 2103. Public Hearings Mandatory.

(a) No bill may be passed by I Liheslatura unless it has received a public hearing, except that when the presiding officer of I Liheslatura certifies that emergency conditions exist, involving danger to the public health or safety, the requirement for a public hearing may be waived and in the event the bill is identical to a bill introduced earlier, which later bill received a public hearing, then a public hearing for the identical bill may be waived.

(b) No substantive resolution that is to be transmitted to the U.S. President, a member of the U.S. Congress, or a head of a foreign state, may be passed by I Liheslatura unless it has received a public hearing. Said public hearing shall be conducted by the primary author of the resolution. § 2104. Number of Votes Required.

No bill shall be passed by *I Liheslaturan Guahan* with less than eight (8) affirmative votes of its members.

§ 2105. Effect of Repeal or Amendment.

The repeal or amendment of any statute shall not affect any offense committed or any act done or right accruing or accrued or any action or proceeding had or commenced prior to such repeal or amendment; nor shall any penalty, forfeiture or liability incurred under such statute be released or extinguished, but the same may be enforced, continued, sustained, prosecuted and punished under the repealing or amendatory statute save as limited by the ex post facto and other provisions of the Organic Act, in which event the same may be enforced, continued, sustained, prosecuted and punished under the former law as if such repeal or amendment had not been made.

§ 2106. Equal Rights for Women.

(a) The Legislature finds that the proposed “Equal Rights Amendment” to the United States Constitution whereby women are to be treated under law equally with men is an appropriate expression of law that should apply to Guam, but also finds that even if such amendment is ratified by the necessary number of States, it is not at all clear that the provisions thereof will apply to Guam, since not all of the U. S. Constitution so applies and the proposed amendment itself speaks only of a “State.” The Legislature has therefore determined to enact as local law the provisions of the proposed amendment.

(b) Equality of Rights under the law shall not be denied or abridged on account of sex. All laws, rules, regulations and executive orders with the force of law which are inconsistent with this section are hereby repealed to the extent of such inconsistency.

(c) The Attorney General shall, within six (6) months after the effective date of this Act, submit a report to the Legislature enumerating therein all laws, rules, regulations and executive orders with the force of law which are inconsistent with the provisions of Subsection (b) foregoing.

§ 2107. Separate Consideration of Land Bills.

(a) Every bill authorizing the sale, gift, disposal, transfer, or trade of government of Guam land (hereinafter called *transfer of land* or *land transfer*), and every bill authorizing the leasing of any government land for more than two (2) years shall contain only matters reasonably related to one (1) such transaction, and may not be considered with any other transaction or any unrelated matters, unless the particular transaction is a transfer or trade which involves the taking by the government of Guam of more than one privately-owned lot at essentially the same time for the same public purpose and project, in which case the bill may contain all matters related to that transfer or trade. No authorization for such land lease or land transfer may be considered as a “rider” or amendment to another bill, and neither may any unrelated amendment or “rider” be considered by the Legislature on any bill which authorizes the lease or transfer of land.

(b) No such bill authorizing the transfer of land or leasing of land may be considered by the Legislature on third reading unless accompanied by two (2) appraisals on all land concerned, appraised for highest and best use regardless of zoning, from two separate licensed real estate appraisers, one (1) of which appraisals is not more than twelve (12) months old, and which appraisals are paid for by the transferee. If the transferee is the government of Guam by virtue of exercising its eminent domain power or similar action for specific and identified public benefit, the appraisals, surveys, maps, and recordation shall be paid by the government of Guam. The private land owner shall sign a statement that the person agrees that his paying for the appraisals does not in any way obligate the Legislature nor the government of Guam to approve the transfer. One (1) of the appraisers shall be selected by the Department of Land Management and the other by the private landowner. The average of the two (2) appraisals may be used by the Legislature as the value for the transfer or trade.

(c) Any proposed lease, sub-leases, requests to exchange land *or* purchase any land owned in the name of the government of Guam to the federal government *or* any agent of the federal government *shall* require the approval of *I Liheslatura*.

(a) Any bill introduced, considered or passed by *I Liheslaturan Guåhan*, or any of its Members, *shall not* contain *more than* one (1) subject matter, and *shall not* contain unrelated subjects *or* pertain to multiple projects, *except* for one (1) annual budget bill and one (1) supplement to the annual budget bill per fiscal year; *except* that, the succeeding *Liheslaturan Guåhan* may, on the year it commences, introduce, consider and pass one (1) supplement to the annual budget bill for that fiscal year, whose subject and contents *may* be *exempted* from this Section. Unrelated subjects on an annual budget bill *or only* one (1) supplement to the annual budget bill *shall* be the same subject matter as a bill which has been discussed at a duly noticed public hearing, unless the public hearing is waived due to the existence of emergency conditions involving danger to the public health or safety consistent with § 2103, Title 2, Guam Code Annotated.
