CHAPTER 30
ATTORNEY GENERAL

- Article 1. Attorney General
Article 2. Legal Fees and Costs for Certain Non-General Fund/Special
Fund Supported Activities.

ARTICLE 1
ATTORNEY GENERAL

A.G. OPINION 78-20: There is no provision in law for the Legislative Counsel, as an officer of the Legislature, to issue legal opinions, although they may give advice to members of the Legislature. Public officials desiring legal opinions are directed by 5 GCA § 30107 to the Attorney General. [Obviously opinions on pending legislation, and the drafting of the same, are the proper province of legislative counsel.]

COMMENT: P.L. 16-72 amended this Chapter by splitting from the Department of Law an Office of the Territorial Prosecutor. However, § 20 provided that "if any provision of this Act . . . is held invalid and the invalidity substantially affects other provisions or applications of the Act, then the provisions of this Act shall not be severable and the entire Act shall expire by operation of law. Provisions of existing statutes repealed or amended by this Act shall then be automatically revived."

A substantial provision of the Act, § 1 providing for the term of the Prosecutor and limiting the Governor's power of removal, was declared invalid, thus nullifying the whole act and reverting the law to its previous condition. *Territorial Prosecutor for the Territory of Guam, People of the Territory of Guam, Petitioners, v. Superior Court of Guam, Respondent. Peter M. Perez, et al., Real Parties in Interest*, D.C. Civ. App. 82-0215, D.C. Guam, App. Div. May 26, 1983.

Public Law 25-44:1 states as that law=s intent:

ASection 1. Legislative Findings and Intent. *I Liheslaturan Guåhan* finds that subsequent to the passage of Public Law Number 24-288, the United States Congress amended the 1950 Organic Act of Guam to allow *I Liheslaturan Guåhan* to create an elected Attorney General for Guam. At the same time, Public Law Number 24-288 contained a provision that the first elected Public Prosecutor would *not* be elected in the event that the Organic Act were amended to permit an elected Attorney General. *However*, the Attorney General of Guam cannot be elected until the year 2002.

I Liheslaturan Guåhan finds that Guam has long been in need of an elected Attorney General, to bring accountability to the prosecution

5 GCA GOVERNMENT OPERATIONS
CH. 30 ATTORNEY GENERAL

of criminals. *I Liheslaturan Guåhan* therefore intends that Public Law Number 24-288 be repealed and re-enacted to create an elected Attorney General of Guam.@

In addition to providing the Legislature with the option to have the Attorney General elected or appointed, the *Organic Act Amendments of 1988* also amended 48 U.S.C.A. § 1421g(d)(1) made the Attorney General a “Organic Act” officer:

The Attorney General of Guam shall be the Chief Legal Officer of the Government of Guam.

As to the first election of the Attorney General and effective date of the Amendments, P.L. 25-44:8 and 9 state:

Section 8. Election of the First Elected Attorney General of Guam. Notwithstanding any other provision of law, the election of the first elected Attorney General of Guam shall occur at the next General Election during which *I Maga’lahen Guåhan* is elected. The first elected Attorney General shall be sworn into and take office on the first Monday of the January following the General Election at which the Attorney General was elected and shall remain in office until the election and swearing in of a new Attorney General, *unless* removed from office as provided for in § 3 of this Act.

Section 9. Effective Dates. Section 8 of this Act is effective immediately upon the enactment of this Act. All other Sections are effective upon the election and swearing into office of the first elected Attorney General.

§ 30101. Attorney General.

(a) The Office of the Attorney General of the government of Guam *shall* be administered by the Attorney General of Guam, who *shall* be elected by the people of Guam for a term of four (4) years.

(b) A candidate for the position of Attorney General of Guam shall declare no political party affiliation. Candidates for Attorney General of Guam shall be subject to the same campaign and personal financial reporting requirements as apply to candidates for *I Maga'lahaen Guåhan* [the Governor], as well as all laws pertaining to campaign contributions. No nominating petition shall be required of a candidate for Attorney General of Guam. A candidate for the position of Attorney General of Guam shall file his candidacy with the Guam Election Commission in the manner similar to a candidate for *I Maga'lahaen Guåhan* [the Governor], except as is not consistent with this Section. All qualified candidates complying with the provisions of this Section shall be placed on a separate ballot for the office of Attorney General to be cast at the Primary Election. The two candidates who receive the most votes in the Primary Election shall be certified accordingly by the Election Commission and placed on a separate ballot for the General Election. In the General Election, the candidate receiving the most votes, subject to the qualifications established by this Chapter, shall be certified by the Guam Election Commission as having won election to the position of Attorney General. The Attorney General shall be sworn into and take office on the first Monday of the January following the General Election at which the Attorney General was elected and shall remain in office until the election and swearing in of a new Attorney General, unless removed from Office as provided for in this Section. The Attorney General shall:

- (1) be at least thirty (30) years of age;
- (2) be a citizen of the United States and a resident of Guam;
- (3) be an active member in good standing of the Guam Bar Association on Guam for at least five (5) years immediately

5 GCA GOVERNMENT OPERATIONS

preceding his or her candidacy for Office, or an inactive member of the Guam Bar Association who, in the five (5) years preceding his election as an Attorney General has served as an elected official elected by the people of Guam or as a Public Auditor of Guam, or as a Justice of the Supreme Court of Guam or Judge of the Superior Court of Guam;

(4) not have been convicted of a felony; and

(5) not have been suspended from the practice of law in any jurisdiction for violation of ethical rules governing the practice of attorneys.

(c) The Attorney General of Guam may be removed in the same manner as provided under the Organic Act of Guam for the removal of *I Maga'lahaen Guåhan* [the Governor]. As provided in the Organic Act of Guam, a vacancy in the position of Attorney General shall be filled:

(1) by appointment by *I Maga'lahaen Guåhan* [the Governor] if such vacancy occurs less than six (6) months before a General Election for the Office of the Attorney General of Guam; *or*

(2) by a special election held no sooner than three (3) months after such vacancy occurs, and no later than six (6) months before a general election for Attorney General of Guam, and by appointment by *I Maga'lahaen Guåhan* [the Governor] pending a special election under this Subparagraph.

COMMENT: The Organic Act of Guam was amended to make the Attorney General, whether elected or appointed, the Chief Legal Officer of the Government of Guam, and provided for the election of that officer as reflected in this Section. 48 U.S.C.A. § 1421g(d) as amended in October, 1998.

§ 30101.1. Transition for an Attorney General-elect.

For the period following the certification of the election and the swearing-in of the Attorney General-elect, the incumbent Attorney General, should he *or* she not be the successful candidate in that election, *shall* assist the Attorney General-elect in the preparation of his *or* her new duties. During this transition period, the incumbent Attorney General *shall* assist the Attorney General-elect in acquainting the latter

with the operations of the Office of the Attorney General and all necessary functions that come with holding the office. The incumbent Attorney General *shall* provide all documents at the request of the Attorney General-elect necessary for the preparation of Attorney General-elect in assuming office. The Attorney General-elect, should he *or* she deem necessary, is authorized to appoint a Committee which *shall* be of assistance during the transition period between election and assumption of office. No funds *shall* be appropriated for the purposes of transition. Should an incumbent Attorney General not be successful in an election, all property, equipment, and documents belonging to the Office *shall* not be removed by the exiting Attorney General.

§ 30102. Department of Law, Cognizance.

(a) Notwithstanding any other provision of law, the Attorney General shall have cognizance of all legal matters, excluding the Legislative and Judicial Branches of the government of Guam, involving the Executive Branch of the government of Guam, its agencies, instrumentalities, public corporations, autonomous agencies and the Mayors Council, all hereinafter referred to as *>agency=*. Where any other law permits any agency or autonomous public corporation to retain counsel other than the Attorney General, this shall *not* preclude said agency or public corporation from requesting the services of the offices of the Attorney General, provided that said agency or autonomous public corporation shall reimburse the Office of the Attorney General for such services from funds of said agency or autonomous public corporation. Said reimbursement shall be deposited in the General Fund and credited to the Office of the Attorney General. In addition, and notwithstanding any other law to the contrary, any agency or autonomous public corporation of the government of Guam may advance funds to the office of the Attorney General for services and incidental travel to be rendered by said office on behalf of said agency or autonomous public corporation.

SOURCE: GC § 7001 repealed/reenacted by P.L. 13-117. Amended by P.L. 23-45:IV:15 relative to the Attorney General=s Fund. Amended by P.L. 25:003:IV:19.

CROSS-REFERENCE: 5 GCA § 23110.

At the time this § 30103 was enacted, a provision similar to that now found in 5 GCA § 23110, limiting agencies' ability to fund travel for persons not employees of that agency was in effect. Therefore, the final sentence of this Section was

5 GCA GOVERNMENT OPERATIONS
CH. 30 ATTORNEY GENERAL

placed in P.L. 13-117 to allow attorneys within the Attorney General's office to have travel paid for by the agencies they serve if the travel is undertaken on behalf of that agency. For instance, prosecuting an appeal for, say, the Department of Public Health, would permit the use of their funds for travel, even though the Attorney General's appropriations for travel may have been exhausted, or not available for that purpose. This section recognizes the fact that much of the case load of the Attorney General, and much of the need for travel, arises out of activity for other agencies of the government.

§ 30103. Common Law Powers of Attorney General.

The Attorney General shall have, in addition to the powers expressly conferred upon him by this Chapter, those common law powers which include, but are not limited to, the right to bring suit to challenge laws which he believes to be unconstitutional and to bring action on behalf of the Territory representing the citizens as a whole for redress of grievances which the citizens individually cannot achieve, unless expressly limited by any law of Guam to the contrary. The Attorney General may permit attorneys admitted to private practice in Guam or licensed collection agents to collect accounts or other obligations owing to the government of Guam, or to any agency or instrumentality thereof, if such procedure would be in the interest of the Government and expedite the collection of said account or obligation. Any agency or instrumentality not operating under yearly appropriations from the Legislature may retain counsel of its choice for the collection of obligations in the same manner as it may be permitted to retain counsel in other matters as permitted by its enabling legislation. Guam Memorial Hospital may permit the Attorney General or attorneys admitted to private practice in Guam and agents or licensed collection agents to collect accounts or other obligations owing to Guam Memorial Hospital.

SOURCE: GC § 7003 repealed/reenacted by P.L. 13-117.

COMMENT: Public Law 24-288:6 purported to repeal this section upon the election of a public prosecutor. However, P.L. 25-44 repealed P.L. 24-288, providing instead for an elected Attorney General.

§ 30106. Deputy Attorneys General.

(a) The Attorney General shall appoint an attorney as Deputy Attorney General to head each division which has been established by virtue of § 30105 of this Chapter.

(b) The Attorney General may appoint an attorney as Chief Deputy Attorney General, who shall be the officer referred to in 4 GCA § 4102(a)(5) - Unclassified Service; Second-in-Command.

(c) The Chief Deputy Attorney General and each such Deputy Attorneys General as may be appointed shall serve at the pleasure of the Attorney General at a salary to be fixed in accordance with 4 GCA § 6208. If such attorneys are appointed from among the classified employees of the Government, they shall, upon the termination of their appointment as Deputy or Chief Deputy Attorney General, return to the classified positions which said persons held prior to their appointments, or to any other classified position to which they would have been entitled had they not been appointed Chief Deputy or Deputy Attorney General. Upon their return to the classified position, such persons shall retain all accrued benefits and leave, and shall be entitled to advancement in pay range and step to which they would have been entitled had they remained in their former position.

§ 30107. Opinions.

The Attorney General shall give, when requested or required, and without fee, except as provided in § 30102, his opinion in writing to public officers, and written instructions to commissioners or others acting for the courts of Guam on all matters relating to service of writs

and process. The Attorney General shall also, when requested, give, without fee, his opinion to the Legislature, or members thereof, regarding matters relating to enacted laws or the status of case law on a given subject. All legal memoranda or opinions, except those prepared with regard to actual or pending litigation, or which give opinions on matters which, in themselves are not public, shall be public documents. The Attorney General shall give each such legal memorandum or opinion to the Legislative Secretary and the Compiler of Laws for publication as soon as reasonably practicable but no later than seven (7) days subsequent to the date of delivery of such memorandum or opinion to the person or agency requesting such memorandum or opinion, and the Compiler of Laws shall provide such memorandum or opinion to the public for examination and copying if it is not yet published. A document shall not be deemed an opinion or memorandum until such has been signed by the Attorney General or persons authorized by him and delivered to the person or agency requesting such opinion or memorandum. The Attorney General shall be personally responsible for insuring that all opinions and memoranda are delivered to the Legislative Secretary and the Compiler of Laws pursuant to this Section and shall be subject to a fine of One Hundred Dollars (\$100.00) for each opinion or memorandum which is not delivered to both the Legislative Secretary and the Compiler of Laws within the time period prescribed by this Section. Government funds shall not be used to pay such fine.

§ 30108. Defense of Judges, Officers and Employees.

(a) Whenever any action for damages is instituted against any officer or employee of the government of Guam in his individual capacity for the performance of an authorized official act, the officer or employee may request the Attorney General to undertake the defense of such action. If the Attorney General finds that the officer or employee acted in good faith, then, subject to the approval of the Governor, he shall appear and defend the officer or employee.

(b) Nothing herein shall be interpreted to preclude the participation of the Attorney General in any litigation in order to protect the interests of the government of Guam, nor to prohibit the Attorney General to decline the defense of any of the above officers or employees on the grounds that criminal prosecution or disciplinary action requiring action

by the Attorney General may proceed from the acts which are also the subject of the civil action for damages herein referred.

§ 30109. Duties.

The Attorney General is the public prosecutor and, by himself, a deputy or assistant, shall:

(a) Conduct on behalf of the Government of Guam the prosecution of all offenses against the laws of Guam which are prosecuted in any of the courts of Guam, the District Court of Guam, and any appeals therefrom.

(b) Draw all informations, conduct grand jury proceedings, prosecute all recognizances forfeited in the courts and all actions for the recovery of debts, fines, penalties and forfeitures accruing to the government of Guam, except as otherwise provided in this Act;

(c) Conduct on behalf of the government of Guam all civil actions in which the government is an interested party; provided that those branches, departments or agencies which are authorized to employ their own legal counsel may use them instead of the Attorney General.

(d) Deliver receipts of money or property received by him in his official capacity and file duplicates thereof with the Director of Administration;

(e) As soon as practical after the receipt of any money in his official capacity, turn the money over to the Director of Revenue and Taxation, and on the first Monday of each month file with the Director of Administration, an account, verified by his oath, of all monies received by him in his official capacity for the government of Guam during the preceding month;

(f) Be diligent in protecting the rights and properties of the government of Guam;

(g) Institute by any appropriate action proceedings on behalf of himself or any other public officer (not an employee) to have determined by the courts the validity of any law, rule or regulation of the government of Guam; and

5 GCA GOVERNMENT OPERATIONS
CH. 30 ATTORNEY GENERAL

(h) Perform such other duties as are required by law.

SOURCE: GC § 7008 repealed/reenacted by P.L. 13-117. Subsection (c) amended by P.L. 18-004:5. Subsection (a) repealed by P.L.24-288:5; reenacted by P.L. 25-44. Subsection (h) repealed/reenacted by P.L. 25-44:4.

COMMENT: Subsection (c) has been amended, by P.L. 18-04:5, to conform to the other laws which give to specific agencies the authority to hire their own lawyers, who may undertake litigation without the supervision of the Attorney General. Such entities include the University of Guam, GEDA, the Airport Authority, GPA, GTA, the Civil Service Commission, and the Guam Memorial Hospital Authority. These authorizations are contained within the laws establishing each of the above entities.

While P.L. 18-4:5 amends "section (a)", this is a typographical error, or, perhaps, a failure by the Legislature to realize the then-recent implications of declaring the Independent Prosecutor null and void. See the NOTE at the beginning of this Chapter. Since it is obvious that the court returned criminal prosecution to the Attorney General, that the Legislature, has not placed that responsibility with any other agency, and that the subsection amended is clearly, after the demise of P.L. 16-72, what was and is subsection (c), the Compiler has made the appropriate amendment to subsection (c).

Public Law 24-288:6 purported to amend this section to remove reference to the Attorney General as public prosecutor upon the election of a public prosecutor. However, P.L. 25-44 repealed P.L. 24-288, providing instead for an elected Attorney General.

§ 30110. Abating Public Nuisances.

The Attorney General shall bring civil actions to abate public nuisances in Guam.

§ 30111. Attorney General Not to Favor Claims.

The Attorney General, except for his own services, may not present any claim, account or demand for allowance against the government of Guam nor in any way advocate the relief asked on any claim or demand made by another except as provided in the Government Claims Act (5 GCA Chapter 6).

SOURCE: GC § 7010 repealed/reenacted by P.L. 13-117.

person or persons, association or corporation indicted of any crime in Guam.

§ 30113. Outside Employment Regulated.

Attorneys in the Department of Law *shall not* engage in the practice of law outside of the Department of Law.

Notwithstanding any other provision of law, the Attorney General shall make rules and regulations, not inconsistent with law, for the conduct of the Department of Law, but such rules and regulations shall become effective only upon approval of *I Liheslaturan Guåhan* [the Legislature]. Rules and regulations shall *not* be inconsistent with the personnel rules and regulations of the government of Guam

NOTE: Public Laws 16-80 §§1-3 and 16-72:8 amended GC § 7102, § 7103, § 7105 and added § 7106 to the Chapter creating the Territorial Prosecutor. All of these amendments were taken prior to the final decision in *Territorial Prosecutor v. Superior Court*. See COMMENT before 30101. Because these sections dealt with the Territorial Prosecutor, and that office was abolished by operation of law following the decision in the above case, the amendments likewise were repealed by operation of law.

§ 30115. Authorization for the Department of Law to Pursue Maritime Litigation.

(a) The Department of Law is authorized to pursue litigation before the Federal Maritime Commission, and in any court of competent jurisdiction, to challenge the reasonableness of shipping rates established by the ocean carriers in the Guam trade. This authorization shall continue

5 GCA GOVERNMENT OPERATIONS
CH. 30 ATTORNEY GENERAL

until such time that the Attorney General determines that the litigation is no longer in the best interest of the territory.

(b) Legislative intent for source of funding in subsection (c) of this section. Section 26 of Public Law 22-41, the General Appropriation Act of 1994, appropriated Nine Million Five Hundred Sixty Thousand Thirty-Eight Dollars (\$9,560,038) to the Government of Guam Retirement Fund to pay for the increased contributions to the Retirement Fund for all branches of the government as provided for in the amendment to § 37 of Title 4, Guam Code Annotated, made in Section 8 of Public Law 22-06. The Governor has been applying the appropriations within the various departments and agencies to fund this increase, thereby leaving an excess in the appropriation in Section 26 of Public Law 22-41 which can be redirected to use for the maritime litigation.

(c) Reappropriation of Two Million Four Hundred Fifty Thousand Dollars to Department of Law's Ocean Freight Rate Legal Fund for legal fees and expenses in the continuation of the Government of Guam's case before the Federal Maritime Commission. Two Million Four Hundred Fifty Thousand Dollars (\$2,450,000) are reappropriated from the appropriation of Nine Million Five Hundred Sixty Thousand Thirty-Eight Dollars (\$9,560,038) previously made in Section 26 of Public Law 22-41 to the Department of Administration for the payment of increased contributions to the Government of Guam Retirement Fund as mandated by law, to the Ocean Freight Rate Legal Fund, under the Department of Law, for legal fees and expenses in the continuation of the Government of Guam's case before the Federal Maritime Commission challenging current shipping rates in the Guam trade. Funds appropriated to the Ocean Freight Rate Legal Fund may be utilized to accommodate billings for legal fees and expenses incurred in prior fiscal years.

COMMENT: Compare the case of *Government of Guam v. U.S.*, D.C. Civ. Case No. 82-1, Dist. Ct. Guam, which stated with regards to the Legislature's involvement in litigation:

?It is the further opinion of this Court that two branches of the government of Guam cannot be vested with the authority to institute and prosecute causes of action and take appeals and other legal action for and in the name of the Government. This would, in effect, destroy the Executive Branch of the government of Guam for the Legislature could at any time enact legislation appointing private

5 GCA GOVERNMENT OPERATIONS
CH. 30 ATTORNEY GENERAL

counsel to institute and prosecute in the name of the Government of Guam to challenge any Executive Branch position or decision.@

While this section authorizes the Attorney General, rather than a private counsel, to prosecute this action, such section is similar to the one objected to in the above case.

NOTE: P.L. 22-111:5 added this section designating the second and third paragraphs as subsections (b) and (c) respectively, but without designating the first paragraph as subsection (a). The Compiler believes this was an oversight and therefore references the first paragraph of this section as subsection (a).

§ 30116. Compensation.

(a) The Attorney General shall be compensated in twenty-six (26) equal installments for an annual salary based on ninety percent (90%) of the annual compensation of a judge of the Superior Court of Guam.

(b) From the date of enactment of this Subsection (b) and until the end of Fiscal Year 2003, the Attorney General is authorized to reduce his salary down to eighty percent (80%) of the amount as computed according to Subsection (a) of this Section, for a maximum reduction of twenty percent (20%).

Notwithstanding any other provision of law, the Attorney General of Guam shall be the legal counsel for the Mayors= Council of Guam. In the event that a conflict of interest exists or workload problems exist, the Attorney General shall, from time to time, appoint an attorney from the private sector to act as the legal counsel for the Mayors= Council. (a) Every request for a letter from the Office of the Attorney General to provide a statement about the disposition of a person's criminal arrest *or* criminal case, also known as an "AG Clearance", *shall* pay to the Treasurer of Guam a non-refundable fee equal to the same fee charged by the Guam Police Department or the Judiciary of Guam for their police Clearance *or* court clearance, whichever is higher. There is hereby established a fund to be known as the "Victim/Witness Travel-Housing Fund", which *shall* be maintained separate and apart from other funds of the government of Guam, and not subject to any transfer authority of *I Maga'lahaen Guåhan*. This Fund shall be used by the Office of the Attorney General for the purpose of assisting with the costs of travel and *or* housing of victims *or* witnesses who must return to Guam to testify in criminal trials against criminal offenders, subject to appropriation by *I Liheslaturan Guåhan*. The Attorney General *shall* comply with Government of Guam financial reporting requirements.

§ 30201. Legislative Findings and Intent.

I Liheslaturan Guåhan finds that the operations of the Attorney General's Office are fiscally supported by the revenues of the General Fund and the various special funds of the government of Guam. As such, the Attorney General is expected to provide legal services to those agencies that also are fiscally supported by the tax-base of the government of Guam. Public law and federal law also place mandates on the Office of the Attorney General that include (1) review of all contracts, including those originating from agencies that are fiscally autonomous from the tax-base of the government of Guam; (2) review of contracts that are funded by federal sources; and (3) most recently, review of all procurement documents where the cost of the procurement is expected to exceed Five Hundred Thousand Dollars (\$500,000).

I Liheslatura further finds that such mandates *do not* constitute a need for the Office of the Attorney General to dedicate an attorney to each autonomous agency or federal program to fulfill the Office's statutory obligations to those agencies and programs but, rather, maintain a pool of staff attorneys to perform such reviews as the need arises. *I Liheslatura* further finds that the ability to maintain such a pool of qualified attorneys or solicitors is contingent upon the Office of the Attorney General to cover the cost of salaries and overhead for these additional attorneys or solicitors.

I Liheslatura further finds that the private practice of law provides a business model that may be utilized by the Office of the Attorney General to recover the cost of providing statutorily mandated services for agencies and programs that are *not* supported by the tax-base of the

government of Guam. This model includes *billable hours* for legal services and *legal cost* billing for definable external expenses, such as postage, copying, notary fees and process service. In recent hearings before *I Liheslaturan Guåhan*, witnesses have testified that private law firms currently bill their clients from Two Hundred Dollars (\$200) to Three Hundred Fifty Dollars (\$350) per hour.

It is the intent of *I Liheslatura* to provide the Office of the Attorney General with the means to recover the cost of providing statutorily mandated services to agencies and programs that are *not* funded by the General Fund and Special Fund revenues of the government of Guam.

§ 30202. Legal Fees for Certain Non-General Fund/ Special Fund Supported Activities.

The Office of the Attorney General is authorized to bill and recover from agencies, autonomous and semi-autonomous instrumentalities and public corporations of the government of Guam its legal services and *related costs* (1) for the review of contracts where public law and/or federal law require the review and approval of the Attorney General as to form and legality; and (2) for its legal services and costs involving related administrative hearings or litigation and review of the procedures, documents and instruments relating to the requirements of Title 5 GCA §5150; provided that for both (1) and (2) the sources of funding for the contract or procurement, or for reimbursing the legal services and costs of the Office of the Attorney General, are *not* the General Fund or a Special Fund of the government of Guam line agencies. The billable hourly rate of the Office of the Attorney General for recovery of its legal services and costs *shall* be Two Hundred Dollars (\$200.00) per hour.

All funds generated under this Article *shall* be deposited into the Fund. The Fund *shall* be used by the Attorney General for the reimbursement or recovery of the costs of its legal services and other related costs, including, but *not* limited to, funding the employment and assignment of an assistant attorney general and other staff to an agency, autonomous or semi-autonomous instrumentality or public corporation of the government of Guam.
