

WHO MAKES THE LAWS
HAND OUT NO. 3

This chart may be used in small groups, but it is best if it is written on a chart tablet so that the class can see it. Participations may be given this chart so they can copy the notes and use them for future references.

Who Makes the Laws?

	Who Makes the Laws? <i>Legislative Branch</i>	Who Enforces the Laws? <i>Executive Branch</i>	Who Determines if the Rules are Fair? Who Punishes the Wrong Doers? <i>Judicial Branch</i>
Local Community			
United States of America			

NOTE: Use the Who Makes the Laws – USA section for participants who can be challenged. It's best to only use the Local Community when introducing the lesson so participants are not overwhelmed or confused about the different government levels.
